Dear Jim & Vickie,

I am up at Mom & Dad's house now, Mike and I are going to be staying here off & on until the end of June.

I am sure glad the Legislature is finally over. We didn't really know when it would end, or if Evans might call us back in June or not. We have our apartment rented through June, and then will move up to Seattle.

Mom & Dad sure had a good time on their trip. They told us about all the things and places they got to see and how well I

you two had everything planned. I hear you are also gourmet cooks! Its sure nice you have such a large house with plenty of room for everything.

I doubt if Mike & I are going to be able to go on too much of a vacation this year. Mike is Durkan campaign manager and is so completely involved in getting the state organization started. This is going to be a pretty important year & a half for us. Durkan still looks very good and a lot of people are starting to jump on the band wagon now. With the unemployment level so high in this

state now (25% in Seattle)
people are pretty tired of
Republican administration.

It is a beautiful day
today which is a nice change
from all the bad weather
we have been having. Mom
and I are going to go out
to see Sandi's baby and
then I am going to go out
and lay in the sun. I
am not working this summer,
so I want to at least
get tan. I will write
again soon.

Love,
Mary
